

Extended Warranty

This machine is warranted to be free of defects in materials and workmanship for an extended period of one (1) or two (2) years from the date of expiration of the original product warranty.

This warranty does not apply to the following conditions:

- Damage as a result of misuse or abuse of the machine
- Damage as a result of a foreign object or substance entering the machine
- Damage as a result of tampering, alterations or unauthorized repair
- Damage as a result of improper packaging by the customer prior to shipping
- Damage resulting from shipment by the customer

In the event of an extended warranty claim, the machine must be returned to the Semacon Service Center at the address listed below. Please contact Semacon prior to the return of the unit to get an RA number. The cost of packaging and shipping the machine to Semacon is the responsibility of the customer. The cost of packaging and shipping the machine back to the customer shall be paid by Semacon. Semacon shall only be responsible for transportation costs for shipments to customers in the continental U. S. and when the repairs are due to manufacturing defects. Do not return the unit to Semacon without an RA number.

OUT OF WARRANTY REPAIR

Following the warranty period, this machine may be returned for repair or preventative maintenance to the Semacon Service Center at the address listed below or your point of purchase. Please contact your distributor or Semacon to determine the correct location. The unit will be fully tested and the repair costs will be estimated and provided to you for approval. If the estimate is accepted, the machine will be repaired and shipped to you as quickly as possible, generally in 24-48 hours.
